**blue, a design company, inc.** was founded in 1995 on the venturesome premise that the pursuit of excellence in architecture, interior design and project management could best serve their clients' needs, while meeting their own professional goals. As a global firm, their offices offer comprehensive architecture, interior design services, planning, resourcing and full project management. With collaborative and inclusive working methods, they pride themselves on the ability to listen and engage each client in the design process. They strive to provide a stimulating and enjoyable professional experience while providing outstanding environments for clients and the public.
