

Charlotte Dunagan

Atmosphere Creations Design Group

"My philosophy is based on providing distinctive quality, exceptional design and unparalleled service. My clients are my main source for inspiration in creating timeless simplicity and versatility of style that ranges from traditional to modern. My goal is to create livable spaces that balance both form and function and will exceed my clients' expectations."

Jose Toledo | Tim DuPont

Blue, A Design Company, Inc.

"As leading architects and interior designers, we are proud to have very close working relationships with our clients. Our clients are involved in every decision and every facet of their projects. This involvement eliminates surprises and allows for an uncomplicated progression from design through implementation and completion, Tim DuPont."
